USED BY TEAM USA

Vizual Edge works closely with Team USA, Athletes Unlimited, NCAA and youth softball players to provide unmatched insights on how your visual system impacts your softball performance.

*"After utilizing Vizual Edge, **my plate discipline improved 10000%**. I never walk and always get myself out. Ever since I started the training I **have increased my walks and decreased wasted at bats!** Love this training and I plan to continue to use it throughout my career."*

Amanda Chidester | Team USA
