FASTPITCH

IMPROVE PERFORMANCE

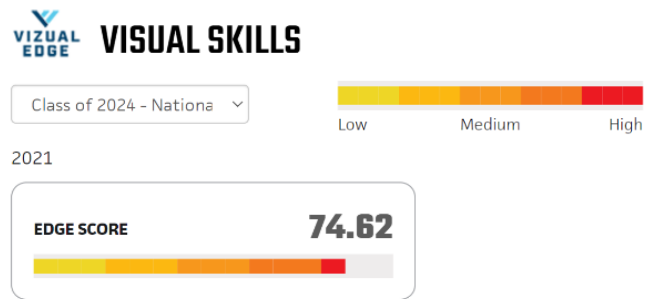

If your players struggle with **timing**, **pitch recognition** or are **slow to react**, their visual skills could be holding them back!

Vizual Edge **online** training takes just **15 minutes, 3x a week** and is proven to enhance performance and help your players reach their *true* potential.

RECRUITING ADVANTAGE

Just like MLB teams have for years, NCAA softball programs are now also using Vizual Edge data to **make recruiting decisions**. Help your players get noticed by improving their scores and performances!

AFFORDABLE PRICING + GENERATE REVENUE

Adding Vizual Edge training to your team(s) at a **significant discount**, available only for Alliance orgs, can drastically improve your players' performance AND generate revenue for your club.

With flexible pricing options, Vizual Edge costs can be baked into team fees at a price point of your choice, **keeping 100% of profit made**.
